

Functions delivered

Multi-functions: as multi
reference flow or
Multi-valued as one flow
bears multiple attribute
with ranging values

Value theory

Allocations:
Economic
Mass
Energy
...

i.e. Functional

Impacts and Damages Multi-valued costs

Area of protection

HH, Human Health
ES Ecosystem
R Resources

? MAUT, MAUSS

Social:
Resources and distribution
Rights and distribution

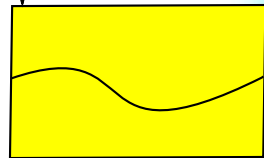

? services and distribution

Times horizon

? Spiritual and symbolic values

Inputs

Outputs

(product
or service)

A

Reference flows

B

etc.

Allocated
inventories
Inputs and
outputs
shares

Impact pathways

Environmental mechanism
* Social environment
(Political and economic)
* Ecosystems and media

Ix

Characterised impacts

Iy

etc.
